Raptor Show news for this week:

- Happy Halloween from Funky! (Yes! That is a full-size pumpkin!)
- Astro is acting up!
- Another breathtaking fly-through!
- www.wmnature.org Events calendar will indicate if the Raptor Training Exhibition is Open/Closed each day.
- No Enrichment Club in November - Happy Thanksgiving!!

Donation button - we need your help to feed and care for our show ambassadors and to build their new enclosures and viewing area.

Thank you so much!

Happy Halloween from Funky The Owl!

Astro is acting up!

Aspen, enjoying the Aspen tree trunks we gathered near Greer last weekend. We built a mini-forest by attaching several trunks in a random

pattern to boards that sit on the ground. He loves to fly between them! And occasionally sit on top and look down at us mere mortals!

One of our great Volunteers, Susan High (left), brought her in-laws to see Funky. Little did Brenda (in the blue jacket) know that she would be so close to Funky's huge 6 ft. 4 in. wingspan during her Funky experience! Susan said Brenda was still watching the video over and over again the next morning. :-)

Training Exhibition Depends Upon Weather Conditions

Schedule Until Spring - Weather will determine public open days.

FREE Training Shows ~ 3:00 to 4:30 PM Weather Permitting.

Come see our amazing birds fly and perform natural behaviors on cue. Ask questions about modern "animal choice" training.

Use the driveway just South of the Nature Center to park next to the Rehab Bldg.

The Enrichment Club did another fine job last Thursday. Next month we will not meet as the 4th Thursday

of the month falls on Thanksgiving. Here you see Azul make short work of one of their masterpieces! Thanks!

News from the White Mountain Nature Center

Finance/Accounting ~ The Nature Center needs you!

A vacancy in the Treasurer position will occur at the end of this year
QuickBooks knowledge required. Must attend monthly Board Meetings.

Email: president@wmnature.org with your qualifications

Nine brand new Geocachers watch "Geocaching 101" presented by Balinda Strosnider inside the Nature Center. Everyone was able to download the app and Find at least one Cache during the event on October 29th. Homework assignment is to find at least 1 more during the remainder of the year! At least you all know why they are wandering around outside staring at their phones ;-)
