Raptor Show news for this week:

- Enrichment Club Happy Hour Thursday at 5PM

If you want to donate, [click here](#) and then click the Raptor Show Donation button - *we need your help* to feed and care for our show ambassadors and to build their new enclosures and viewing area.

Thank you so much!

Enrichment Club This Thursday 5PM

(we missed you for the past two months!)

We skipped our Enrichment Club dates for November and December because of the Holidays, and we have been paying for it this week - no toys for Azul the crow, so we had to make them on the fly (get it?). Bottom line, we need you! Come drink wine, eat stuff that is really bad for you, and make some toys! We got some new ideas for bundles of "stuff" tied with sisal rope from our Association. We will try them this week. Thursday at 5PM at the Nature Center. New carpet and music system are in place which will make it even nicer. Bring wine or snacks if you want!
Nature Center 5PM Thursday - Free - Open to the public

News from the White Mountain Nature Center

Black Bear Presentation - one of the best ever!

The Elusive Black Bear

Lorna McNeil-Cox of the USDA Forest Service presented "The Elusive Black Bear" at the Nature Center on Saturday evening. Her career spans 35 years with the Forest Service and Parks Service.

An informal survey of the 36 people who attended rated her presentation with 5 Stars!

As you can see, Lorna knocked it out of the park! (another lousy pun) Everyone enjoyed the presentation, which was our first since we updated the room.

More improvements on the way...

Nature Center Updated

Here is how our presentation room looks now with the new carpet. We also carpeted the stage, added a state of the art presentation system and even a giant clock in the back!

People who attended said they could hear clearly - even during the times the heater switched on. A HUGE improvement for our Guests!

Refreshments were served, and Guests enjoyed taking a look at the Nature Displays in the back 1/3 of the room. More to come in that area soon! We hope you like the improvements and will join us for many of the 2023 presentations.
