

*Raptor Flight Show at the White Mountain Nature Center*

## Special Notice - No Training 7/21/2022

---

On July 5th 'Astra' the baby Aplomado Falcon, was stolen from the White Mountain Nature Center.

The alleged perpetrator, a 14 year old juvenile, was apprehended as part of a burglary investigation at another business in the area last Friday.

The detention hearing for him is tomorrow at 2:30 PM at Navajo County Justice Court - 550 N 9th Place, Show Low.

We and many of our Volunteers are going to attend to show support for Astra, who did not deserve what happened to her, and to indicate to anyone there that this was a crime against the Community, and not "just a bird."

We do not expect to be allowed to speak, but we will be there wearing our Nature Center shirts. Soon we will be buying a Sunset Maple and planting it in the Nature Center's tree garden in her memory. We will send another notice then. Thank you all!
