Email Newsletter ~ July 3, 2022

Raptor Show news for this week:

- Aplomado Falcon has arrived!
- Simon continues to grow, and grow, and...
- Daily FREE training exhibitions began on July 1st
- Up close and personal experiences are only \$50

If you want to donate, [click here](#) and then click the Raptor Show Donation button - we need your help to feed and care for our show ambassadors and to build their new enclosures and viewing area. Thank you so much!

OUR APLOMADO FALCON IS HERE!

She hatched on May 11th! You can see her poking out of the shell in this pic! Her brothers are already out.

Flight from Seattle on Thursday.
"This doesn't feel like First Class!
Searching for a great name for her..."

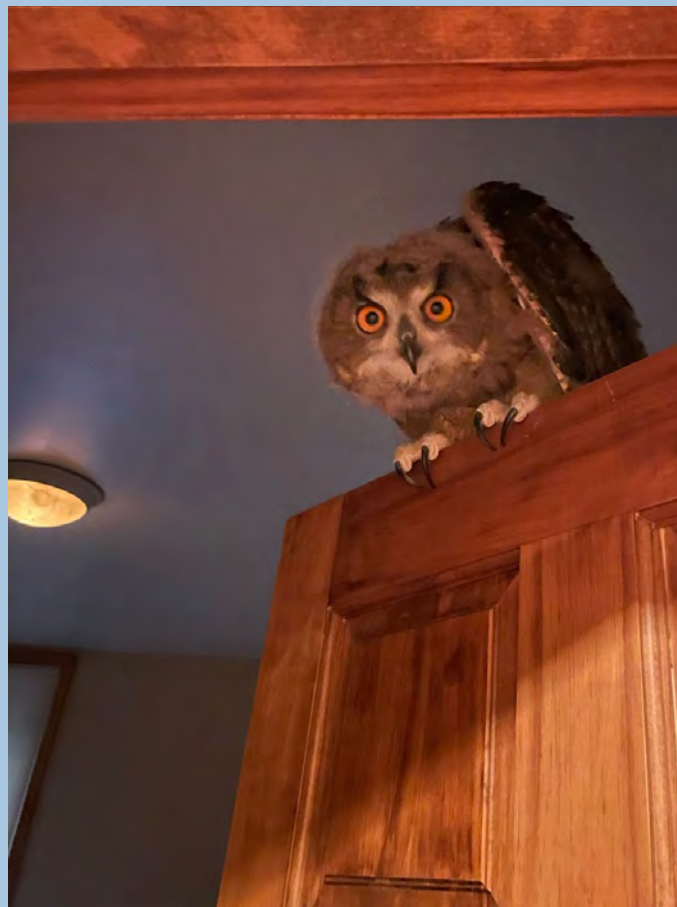

Aplomados used to be abundant in AZ, NM, and TX, but they only nest in Yucca plants, which were eliminated by farming and ranching operations. No Yucca-No Aplomado

The Perigrine Fund is working to re-introduce them in the U.S. We are assisting in that effort by showing the people of Arizona how incredible they are so we will protect them.

Remember little Simon? He's not so little anymore, and he's flying! We desperately need to build the new enclosures and flight area. He refuses to

FREE Daily Training Exhibitions

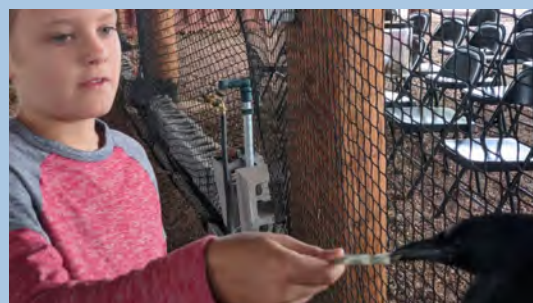

FREE Training Shows began July 1st ~ 3:00 to 4:00 PM Daily (weather permitting)

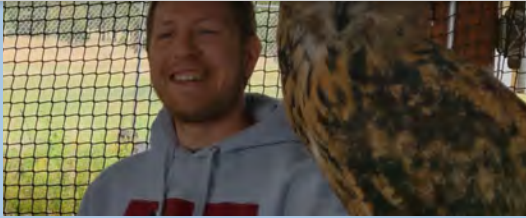

Come see our amazing birds fly. Ask questions about modern "animal choice" training - which also works for kids and stubborn husbands. ;-)

Use the driveway just South of the Nature Center to park next to the Rehab Bldg.

Up-Close-And-Personal

Experiences are only \$50 per person for a limited time!
Email raptorshow@wmnature.org to make your reservation.

The Swierski Family from Phoenix really enjoyed their time with Azul and Funky! Robyn & Jacob give Azul a donation. Then Johnathon (Dad) and Jacob take turns getting up close and personal with Funky. "He's HUGE!" was their take-away.
